RECORDING OFFICER'S CERTIFICATION

I, Jennell Reddick, the duly appointed Chair of the Housing Authority of the City of New Bern, NC, do hereby certify that Resolution No. 02.25.01 was adopted unanimously at a meeting of the Board of Commissioners held February 17, 2025.

Jennell Reddick, Chair

ND:4916-5202-1788, v. 1

Board Meeting Date: February 17, 2025

Resolution No. 02.25.01

Person Responsible: Reggie Barner, Interim Executive Director

Subject: Recommendation to Authorize the Executive Director to Enter into Negotiations and Work on a Master Development Agreement with HRI Communities

Background:

The City of New Bern and the Housing Authority of the City of New Bern, NC ("Authority") jointly received a 2013 Department of Housing and Urban Development ("HUD") Choice Neighborhoods ("CN") Planning Grant. The \$400,000 grant was used to draft a Transformation Plan for the revitalization of the Greater Five Points area, which included Trent Court and Craven Terrace as well as other property not owned or managed by the Authority. The Authority is currently in the process of facilitating resident and community updates to the 2016 Transformation Plan.

The Greater Five Points Transformation Plan is a partnership between the Authority, the City of New Bern, and public and nonprofit entities whose collective goal is to transform one of New Bern's most historic, yet financially and physically distressed, neighborhoods. The Transformation Plan describes a course of action for resident self-sufficiency, neighborhood reinvestment, housing and economic development, and historic preservation.

Today, the sole target housing for the CN redevelopment is Trent Court, which consists of 218 dwelling units - all of which are over 70 years old. Of the 218 units, 108 are uninhabitable due to damage caused by Hurricane Florence in 2018. The Federal Emergency Management Agency ("FEMA") has obligation some funding for the public housing redevelopment on- and off-site within the Greater Five Points area, and the Authority plans call for additional funding to be sought through a future CN Implementation Grant. The redevelopment will include innovative, top-of-the-line mixed-income, mixed-use housing investments, as well as other catalytic and place-making neighborhood improvements.

To facilitate the Housing component of the CN Plan, the Authority desires to hire a qualified affordable housing developer with Choice Neighborhoods, historic revitalization, and climate resiliency experience to implement a comprehensive and complex CN revitalization strategy for the Trent Court redevelopment including mixes of incomes, uses, and financing sources.

The Authority issued a Request for Qualifications ("RFQ") for Development Partner for Choice Neighborhood New Construction in accordance with the Authority's Procurement Policy on December 18, 2024. Five firms attended (virtually and in-person) the pre-bid meeting and tour,

and three firms submitted responses by the deadline of February 3, 2025: HRI Communities, Brinshore Development, and Ulysses Development.

The selection committee, comprised of representatives from the Authority, the City of New Bern, and CVR Associates, Inc., evaluated initial submissions and submitted scoring to the selection committee chair. The committee's average scores (out of 100) for each submission were as follows:

- HRI Communities: 94.25
- Brinshore Development: 87.25
- Ulysses Development: 48.50

After meeting to discuss initial scores on Thursday, February 6, 2025, the committee elected to interview the two highest scoring firms: HRI Communities and Brinshore Development. The interviews took place on Monday, February 10, 2025. Both firms offered presentations, and the selection committee followed with a series of questions for both applicants. The selection committee convened immediately following the interviews to discuss impressions. The scores did not change as a result of interviews. A follow-up email was sent to HRI Communities requesting Best and Final Offer ("BAFO") business terms, by 9:00 AM Wednesday, February 12.

Following receipt of the terms, the committee unanimously recommends HRI Communities, based on the following:

- Choice Neighborhoods Implementation Grant experience;
- Impressive presence on interview, including seven (7) staff and executive members;
- Extensive experience in flood-affected areas;
- Extensive experience with historic rehabilitation and redevelopment;
- Experience and plan for DBE/MBE/WBE/Section 3 participation;
- Competitive Business terms.

Funding Source:

Not required.

Recommendation:

Staff recommends the Board authorize the Authority and Executive Director to proceed with negotiating the terms of a Master Development Agreement ("MDA") with HRI Communities, with the assistance of Legal Counsel, and to bring the MDA back to the Board for final approval, contingent on final due diligence review.
